## S. Korea Gets Slush Funds

### Reds Kill 115 Men In Riots

Pusan, Korea, Tuesday, May 27.—(AP)—A government spokesman today disclosed that the Communists were sending secret funds across the border into South Korea to foment discord.

He said several national assemblymen were involved in the handling of the Red slush fund. Four assemblymen were arrested yesterday. Others may have escaped the crackdown.

President Syngman Rhee summoned his cabinet into session to discuss the growing political crisis.

Rhee proclaimed martial law after one woman was injured fatally and 150 persons were hurt Saturday in a riot. A mob stormed the capital and demanded the arrest of 14 anti-Rhee assemblymen.

The crisis stems in part from a bitter dispute between the president and a majority of assemblymen who voted to free one of their colleagues accused of slaying a South Korean army captain.

Prime Minister Chang Taik Sang, in office only three weeks, submitted his resignation. He said he could not cope with mass demonstrations against the assembly and the situation created by Communist bribery of high government officials.

### Reds Murder Own Men

Koje Island, Korea, Tuesday, May 27.—(AP)—The Reds murdered 115 of their own number in gaining control inside Koje prison compounds beginning with savage struggles last September, it was disclosed Monday.

At least that many were beaten to death, hanged or died from slow torture—some of them "executed" after sentence by kangaroo courts. One man was buried alive.

Informed sources said the worst battle was from Sept. 16 to Sept. 20 an episode in which 100 prisoners were wounded, 15 fatally. A dozen Allied guards were hurt, including three American infantrymen, as they tried to stop the fighting.

Attesting to the strong domination of the barred war stockades by the Reds, these sources said officials were able to screen only half of the 80,000 inmates now on Koje to determine which ones want to return to Red rule.

### Leaders Reject Screening

The Red compound leaders toughly rejected screening for all prisoners in some stockades, although many anti-Communists were believed to be among them.

"Allied truce negotiators have reported that 70,000 die-hard Reds want to return to Red rule and that nearly 100,000 other military and civilian internees have said they would rather die."

The Communists still firmly control events inside the compounds. Allied personnel has been ordered to keep out. The Reds, organized into a disciplined army, are equipped with crude but deadly weapons.

They are known to have some guns—seized from guards during riots or smuggled in by civilians.

In the "bloody September" riots, scores of prisoners sent to the hospital—including 15 dead on arrival—had been severely beaten. At least 14 were shot by guards trying to restore order. Twenty-two Reds suffered bayonet wounds.

Disclosure of "bloody September" would help explain why the army found it necessary to appoint 14 camp commanders during 16 months of operation of U. N. Prisoners of War Camp Number One.

## Youth Loses Life As Target In Game Of Marksmanship

Yorkville, May 26.—(AP)—A weird game in which three Chicago youths used one another as targets in rifle marksmanship ended with one of them dead. The other two face manslaughter charges.

Edward Maslowski, 19, died of a bullet wound near his left eye. Edward Wojcik, 17, and Stanley Jasper, 16, are held in Kendall county jail.

Sheriff William Johnson said the shooting occurred early Sunday along the Fox river near Oswego.

He said Wojcik and Jasper told him that they and Maslowski had gone to the river to fish but that after a while they began shooting in one another's direction, aiming for the closest miss possible.

"At first it was all in fun," Johnson said, "but they apparently began to get angry at one another because the bullets were coming too close."

Johnson said the youths told him that the fatal shot was fired by Wojcik.

At their arraignment today before Justice of the Peace William Hayden, Wojcik and Jasper were ordered held until Tuesday to allow time for a more thorough investigation.

## Pass Bill To Extend War Powers

Washington, May 26.—(AP)—The House passed a bill today extending Truman's emergency war powers until June 15.

This completed congressional action on the measure, which now goes to the White House for the president's signature. The Senate passed the bill last week.

Truman's special war powers would have expired April 28, when the Japanese peace treaty came into effect and ended the state of war in the Pacific.

A 30-day extension was voted April 9, continuing the powers until June 1, and then a second extension was agreed on while Congress works on a longer term measure.

The president wants an extension for the duration of the Korean emergency he proclaimed Dec. 16, 1950, and for six months thereafter.

Some 60 emergency powers are involved. Among them are the president's authority to seize and operate the railroads, reduce royalties to be paid on articles used in the defense program, regulate voting abroad by members of the armed forces, and impose controls over the entry and departure of aliens.

Both Green and Murray were reticent about the meeting afterward. They said the names of candidates were not discussed at their conference.

"It was more or less for the purpose of going over the entire political picture," Murray told newsmen.

Asked if Missouri politics were concerned, Green said the talks concerned politics "all over the country," including "Missouri, New York and everywhere."

The two labor leaders said no commitments were made in their conversation with Truman. Murray mentioned that it was not unusual for any president, either Democratic or Republican, to discuss the political situation generally with union leaders. He said he supposed Truman would talk to him and Green later on in the campaign.

Murray said the labor dispute in the steel industry was not mentioned in the 12-minute White House meeting.

## 2 Killed, 8 Missing In Barge, Tanker Explosion, Fire

Wilmington, Del., May 26.—(AP)—A gasoline-laden barge and a tanker carrying crude oil collided in the rain-swift Delaware river last night. Both exploded and burst into flames. Two men were killed and eight others, including a father and son, were missing.

Of the 39 survivors—the barge had a crew of nine and the tanker 40—only Sjur Tellefsen, a Norwegian now an American citizen living in Brooklyn, was accessible to tell what happened when the 10,441-ton tanker Michael and the 1,162-ton A. C. Dodge collided about 15 miles south of here shortly before midnight.

And the 29-year-old Tellefsen, speaking from his bed at Wilmington general hospital, could throw no light on the exact cause of the third ship disaster in this area in the past 10 days. On May 15, two ships collided and burned in the nearby Chesapeake canal, killing four men. Last week three men drowned when a freighter and tug smashed in the Delaware near Chester, Pa.

Tellefsen, the only survivor from the barge, said he was asleep when "I was jolted out of bed by the crash. I was very lucky to get out of my boat alive." He was treated for shock and slight burns.

The U.S. Coast Guard said it had no official version of the collision in one of the world's busiest waterways.

## Flowers, Visits Mark Birthday Of Queen Mary

London, May 26.—(AP)—Britain's Queen Grandmother Mary celebrated her 85th birthday today. Her royal children, grandchildren and great-grandchildren brought bouquets and congratulations.

Thousands of birthday greetings and bunches of flowers poured in from all over the British realm, and crowds filed through her home at Marlborough House to sign Queen Mary's visitor book.

Her son, the Duke of Windsor, on his way to London from America, sent a radio message of birthday wishes.

First to give kisses and bouquets were four-year-old Prince Charles and his little sister, Princess Anne, 2, who drove to their great-grandmother's home this morning with their mother, Queen Elizabeth II.

The aged queen, who has been forced to stay indoors because of intermittent illness recently, was reported in good spirits today.

She lunched with her daughter, Princess Mary, and later in the afternoon was visited by Queen Mother Elizabeth, Princess Margaret and the Duke and Duchess of Gloucester.

## MAJORITY OF OIL WORKERS RETURN

Denver, May 26.—(AP)—A union spokesman estimated today that two-thirds to three-fourths of the 90,000 oil workers who went on strike April 30 have returned to their jobs.

The estimate came from Denver headquarters of the CIO oil workers' international, largest of the 22 CIO, AFL and Independent Unions which called the walkout.

## Factory Makes Heat From Smelly Fumes

Allentown, Pa., May 26.—(AP)—A factory here is running on heat created from smelly fumes which had been just a nuisance, it was announced tonight.

The annoying smell is eliminated, and the firm is saving 90 per cent of its former fuel bill, said Arthur E. Thiele, executive vice-president of Enamelstrip Corporation.

The magical trick is done by chemical wands, placed in the plant's vent chimneys. They burn the noxious fumes rising from enamel baking ovens, and turn the heat back to run the ovens.

The wands also promise sharp cuts in fuel bills of homes and factories.

This is a catalyst that burns the fumes. Catalysts are agents that cause chemical reactions, but wind up unchanged themselves.

There are some 67,000 of the coated rods, arranged in layers, in the four vent stacks of the plant here, the first such installation.

The firm has great ovens where enamel is baked onto moving sheets of metal. The bad fumes come from solvents in the enamel.

As the fumes go up the stacks, they touch the magic rods and are burned into hot gases. The gases are piped back into the ovens, to supply heat and bake more enamel. More fumes come up and are turned into heat, in a chain reaction close to perpetual motion.

## Texas Delegation May Be Hot Potato In Convention

Mineral Wells, Tex., May 26.—(AP)—Texas Eisenhower Republicans told the state executive committee tonight that they will walk out of tomorrow's convention unless their contested delegates are seated.

Jack Porter, state campaign manager for Gen. D. Eisenhower, told a rally that "if we don't get any action on the convention floor we will walk out."

He spoke as the state executive committee was voting to recognize only Taft groups as it neared the end of hearing 31 disputed county delegations.

In Texas, Taft supporters won the first round in a battle that could make the Texas delegation to the GOP national convention a hot potato.

With the state GOP convention scheduled to meet today (Tuesday) to name 38 national delegates, the state executive committee voted 46 to 14 yesterday to seat a Taft delegation over a rival Eisenhower group.

It was the first action on 31 disputes involving the rival factions. Eisenhower leaders have threatened to bolt the convention and send their own delegation to Chicago if the executive committee resorts to "steam roller" tactics in favor of the Taft group.

Democrats in President Truman's home state of Missouri will send an unopposed delegation with 34 votes to the Democratic national convention.

Seven of the state's 42 delegates said they liked Gov. Adlai Stevenson of Illinois. He says he only wants to be re-elected governor.

One backed Sen. Kefauver of Tennessee as a first ballot choice, another was for W. Averell Harriman, New York's favorite son candidate, and Vice President Barkley was favored by one.

The rest were uncommitted. It was obvious they were waiting for guidance from President Truman.

Over the weekend, Stevenson himself appeared to have left the door wide open for a draft after declaring earlier that he "could not accept" for the presidential nomination.

Along that line, Stevenson said in a radio broadcast that he would be "presumptuous, arrogant and conceited to say now what I would do in the event of a draft."

In other political developments: Sen. A. Taft of Ohio was busy campaigning in South Dakota, with an eye on the 14 GOP delegates to be chosen in a primary election there June 3. He is opposed by a state of delegates committed to Gen. Dwight D. Eisenhower, his chief rival for the nomination.

Taft told a GOP rally he would be a good deal stronger candidate with both labor and farmers than any other Republican "including Gen. Eisenhower."

The Ohio Senator also took another crack at Gov. Thomas E. Dewey of New York, whom he described as the chief architect of the Eisenhower campaign. Dewey, he said, had a "very miserable record of farm support in the 1948 presidential election."

## Cook Grand Jury Indicts Officials In Payroll Case

Chicago, May 26.—(AP)—The Cook county (Chicago) grand jury today reportedly indicted two city officials on charges of carrying "ghosts" on their payrolls.

Those reported named are George B. McNellis, assistant supervisor of airports, and Arthur Christopher, supervisor of tree trimmers for the Bureau of Parks.

The grand jury reportedly charged the two with conspiracy to defraud the city and obtaining check signatures under false pretenses. Each allegedly placed a non-existent laborer on the payroll of the other, collecting a total of \$3,880, according to the grand jury report.

William N. Erickson, Republican president of the county board, two associates and State Rep. James J. Adduci previously were indicted in an investigation of Cook county payrolls. They are charged with conspiracy to defraud the county and are awaiting trial.

### Congress Told, Russia Exceeds Us In Plane Output

Washington, May 26.—(AP)—Key Pentagon officials told Congress today the United States is lagging far behind Soviet Russia in the production of warplanes, and declared that House-approved curbs on military spending would jeopardize the nation's safety.

They also testified that the military high command believes Russia is aiming toward a peak strength by mid-1954.

Secretary of the Air Force Thomas K. Finletter and Chairman John D. Small of the munitions board were the latest witnesses in the administration's long and continuing battle against congressional cuts in defense spending.

Both gave their testimony behind closed doors as separate Senate committees sought details on Russia's aerial might and the answer to questions on what this country needs to overtake the Soviets.

After listening to Finletter testify before a Senate appropriations subcommittee, Chairman O'Mahoney (D-Wyo.) told newsmen:

"Congress and the country have got to make up their minds whether, because this is an election year, they are going to be willing to expend the funds necessary for defense."

Small then added his warning about Russia's lead in air strength. He said the Soviets are turning out planes considerably faster than this country despite the fact that U.S. production is about three times greater than it was at the outbreak of the Korean war in mid 1950.

## Texas Squares Off For Senate Fight In Foreign Aid Bill

Washington, May 26.—(AP)—Sen. Connally (D-Tex.) told the Senate today to vote \$6,900,000,000 for foreign aid if it didn't want "the world to go to hell."

The fiery Texan, chairman of the Senate foreign relations committee, said sarcastically "the way to get real economy is to defeat this bill entirely, give them nothing, vote not one dime for the mutual security program."

"Then," he shouted, "you can go home and stretch yourselves before your constituents and say I saved seven billion dollars—and let the world go to hell."

Connally's speech opened what promises to be a long and bitter debate on mutual security.

President Truman has asked for \$7,900,000,000 to furnish direct military aid and economic assistance to nations Allied with the United States against the threat of Communist aggression. His request is for the 12 months starting July 1.

Connally's committee cut the figure one billion dollars, and last Friday the House approved a bill shaved down to \$6,162,000,000.

Sen. Bridges of New Hampshire, the Republican leader, told the floor to ask that "all the unnecessary expenditures" be taken out of the bill.

In a sense, the speech was Connally's swan song in the senate. He reminded his colleagues that he is retiring at the end of his term in January, and that this would probably be the last major piece of legislation he will pilot through the chamber.

Connally also recalled that Gen. Dwight D. Eisenhower has warned Congress that any substantial cut in foreign aid below the \$6,900,000,000 mark might endanger U.S. security.

## Asks Amendment To Constitution To Bar Seizure

Washington, May 26.—(AP)—A constitutional amendment which would bar the president from seizing any private property except under specific laws was urged in Congress today by Sen. McCarran (D-Nev.).

McCarran, chairman of the senate judiciary committee, has long been at odds with President Truman, whose seizure of the eight billion dollar steel industry to avert a strike has ignited one of the hottest constitutional debates of recent years.

McCarran's proposed amendment, he told the Senate, is aimed at the administration contention that the president has broad, inherent powers under the constitution which justify such actions as the steel seizure.

"The purpose of this amendment," McCarran said, "is to eliminate not only all doubt, if doubt there be, but also all argument over the question of whether the president has any right, inherent or otherwise, to seize an industry or any other private property when he has not been authorized to do so by a law passed by the Congress."

Amendment of the constitution is normally a drawn-out process. An amendment must be approved by Congress and then ratified by 36 of the 48 states.

## PERSEVERANCE BRINGS MAN HONOR

Rock Island, Ill., May 26.—(AP)—Francis Hickey, 38-year-old factory worker, is only a few days away from a successful end of a 20-year educational quest.

A bachelor of arts degree awaits him Sunday in graduation ceremonies at St. Ambrose college in neighboring Davenport, Ia.

Hickey began his college work in 1932. Since then he's been attending St. Ambrose night classes regularly, with the exception of two World War II years.

He majored in the social sciences.

## Fighter Bombers Cut 52 Places In Red Supply Lines

Seoul, Korea, Tuesday, May 27.—(AP)—Allied fighter-bombers, unopposed by Communist jets, struck Monday at the main Red railroad supply line in Northwest Korea.

The Fifth Air Force reported the heaviest blow was concentrated on the Pyongyang-Sukchon line. Pilots said they scored fresh cuts in 52 places. Red supply lines elsewhere were pounded.

U.S. Sabre jets, flying protective cover at high altitudes, patrolled in search of MIGs but saw none. The Reds apparently stayed in their Manchurian Haven after losing four fighters Sunday.

The Eighth army reported no sizable clashes on the battlefield after two reinforced Chinese companies were hurled back on the western sector Sunday.

The Reds struck at Allied outposts in their once-familiar fashion—firing green flares, a concentration of mortar shells and then charging. Allied reinforcements drove them off after nearly five hours. An estimated 100 Reds were killed or wounded.

(Peiping radio, broadcasting the North Korean war communique, asserted that five Allied planes were shot down and four damaged by Communist ground fire.)

## Mine Inspector Of W. Frankfort Fights Dismissal

Springfield, Ill., May 26.—(AP)—James R. Wilson, fighting dismissal proceedings, said today superiors never criticized his work as a state mine inspector before demanding his resignation last month.

Wilson, 71, of West Frankfort, joined the state mine inspection staff in 1942.

He testified before a special hearing officer in defense against charges of neglect of duty and incompetency preferred by Walter Eadie, state mines inspector.

Michael Greenebaum, who heard the case, took it under advisement. His recommendation will be made in a week or so to Eadie, who can accept or reject it.

Wilson testified that he never received any complaints from the state mines department about reports submitted on the three mines in his district.

He said the first word that his work was not satisfactory came in a letter from Eadie dated April 22 asking his resignation.

The letter, read into the record, recited several criticisms of February, March and April reports Wilson made of inspections at the New Orient No. 2 mine near West Frankfort. An explosion at the mine last December killed 119 men.

Wilson admitted allegations in the letter that he described conditions in the mine "fair" four times in reports notwithstanding a directive issued in January prohibiting use of the word.

He conceded that he left blank the answer space to a question in one report whether methane gas was present, and that there were contradictory figures on rock dusting conditions in another report.

Eadie testified that the reports "were misleading" because of the errors and Wilson's failure to make written recommendations on remedying faulty conditions found by other inspectors who checked up on him.

## GAS PRICE WAR IN MOLINE

Moline, Ill., May 26.—(AP)—Gasoline prices at most stations in Moline, East Moline and Silvis were cut six cents a gallon today as major oil companies joined the local gas price war.

Regular gasoline normally sold for 27.2 cents a gallon at major company stations was reduced to 21.5 cents. Ethyl was marked down from 29 cents to 23.

Independent stations reportedly are selling regular gasoline at 20 cents a gallon.

There are more than 4000 Kentucky colonies.

## Parliaments Must Ratify Contracts

Bonn, Germany, May 26.—(AP)—The United States, Britain and France signed with Western Germany today a historic peace contract welcoming 48 million former enemies as new allies in a gamble to avoid World War III. But a perilous road lies ahead before the contract can take effect.

While the Russian bear growled, the three western foreign ministers met with West German Chancellor Konrad Adenauer in the federal parliament building here. They signed documents which—when and if ratified—will end the allied occupation, bring West Germans into the European community as an all but sovereign nation, and permit the Germans to contribute about 400,000 troops to Europe's western defense army.

"Our work will succeed—it must succeed if we are to avoid another catastrophe," said French Foreign Minister Robert Schuman, speaking on behalf of himself, British Foreign Secretary Anthony Eden and U.S. Secretary of State Dean Acheson.

The peace contract, signed over the repeated and vociferous protests from Moscow, becomes effective upon ratification by the four parliaments. When—and if this comes about, the split of Germany will be finalized unless Russia and the West at some later date can agree on how the West Germans and the 18 million of the East zone can be reunited. Meanwhile, Allied troops remain in Western Germany as part of the Western European defense setup.

Along with the related European Defense Community (EDC) treaty to be signed tomorrow in Paris by six nations, the peace contract lists the West Germans as rearmament partners in the North Atlantic Treaty Organizations (NATO) and the European army countries, as an amendment to the North Atlantic treaty.

At times during today's solemn signing ceremonies, the ministers appeared to be speaking directly to Moscow. They vowed that their unanimous intent was to unite all Germans, including the 18 millions in the Soviet zone, by peaceful means. Peace, said Acheson, was the binding theme.

The U.S. is proceeding on an assumption that all four nations will ratify without undue delay. Possibly President Truman may send the peace contract to the Senate for ratification next week, so that Senate committee hearings might start at once. At the same time the protocol would send along a protocol providing for an exchange of security guarantees between the North Atlantic Treaty Organizations (NATO) and the European army countries, as an amendment to the North Atlantic treaty.

To sign EDC Treaty Immediately after the signing ceremonies in Bonn, Acheson, Schuman, Eden and Adenauer flew to Paris. Acheson will witness there the signing tomorrow of the EDC treaty by France, West Germany, Italy, Belgium, The Netherlands and Luxembourg. Like the peace contract, the European army treaty becomes effective upon ratification by the parliaments of the signatory nations.

In a last minute attempt to influence the European signatories, Moscow called again Sunday for a four-power conference to draft a peace treaty for a unified Germany.

But a high American source here suggested that the latest Soviet note was surprisingly weak, even the extent of helping the Allies over the final hurdles toward the signing. Soviet insistence on a German national army rallied wavering French support, he said. Thus the Moscow note, at the critical moment, actually helped break down French hesitancy at signing—a hesitancy which had threatened to block completion of the program.

## Arthur G. Hopkins, 61, President Of Tucker Company, Dies Here

Arthur Gorman Hopkins, 61, president of Mrs. Tucker's Foods, Inc., died at 8:30 o'clock Sunday night at Our Saviour's hospital from a heart ailment, from which he had suffered intermittently for several months.

A resident of Sherman, Texas, Mr. Hopkins had come to Jacksonville in connection with building operations of the Tucker plant east of the city. He visited the building site of the new multi-million dollar industry several times last week.

Mr. Hopkins was a prominent business leader in his home state, where he was interested in numerous corporations.

### Relatives Come By Plane

His wife, Mrs. Hattie Birge Hopkins, five children, a brother and three sisters were in this city when death occurred. Most of the relatives arrived by plane after receiving messages about his illness.

Dr. John Ellis of Sherman, Texas, a nephew of the decedent, arrived in the city Sunday.

The company president was stricken last Friday night at the Dunlap Hotel. He was removed to the hospital.

Mr. Hopkins' death was a shock to local business and civic leaders who became acquainted with him during location of the Tucker plant here and to the Dallas area in Texas.

**Funeral Wednesday**  
The remains were removed to the Williamson Funeral Home. They were taken to St. Louis Monday afternoon and will be taken to Sherman, Texas, over the Frisco railroad.

Funeral services are tentatively planned for 10 a.m. Wednesday at the Sherman Methodist church.

Mr. Hopkins was born April 19, 1891, in Marshall, Texas, son of Hammond Warfield and Rebecca Johnston Hopkins. He was united in marriage with Hattie Wharton Birge on April 11, 1917. He had been a resident of Sherman 41 years.

In the city when Mr. Hopkins passed away were Mrs. Hopkins; their five children, Mrs. George C. Hopkins, Jr., of Abilene, Texas; Mrs. L. M. Wright, Sherman, Texas; Arthur G. Hopkins, Jr., of Sherman; Mrs. Joe M. Joiner, Sherman, Texas, and Hammond Warfield Hopkins, a student at the University of Texas in Austin; a brother, Mark Hopkins.

Dennison, Texas; sisters, Mrs. J. L. Goggans, Dallas; Mrs. J. P. Wonack, Marshall, Texas; Mrs. David E. Coffman, Dallas. Mr. Hopkins had six grandchildren.

The decedent was graduated from Austin College at Sherman in 1914, where in 1947 he was awarded an honorary Doctor of Laws degree.

### Many Business Interests

Engaging in the vegetable oil refining business in 1917, he became president of the Interstate Cotton Oil Refinery in 1931. The company became Mrs. Tucker's Foods, Inc., in 1947. Last year the company merged with Anderson, Clayton & Co., of Houston.

Mr. Hopkins was a director in the Anderson, Clayton Co., a trustee of the Menninger Foundation, Topeka, Kansas, a director of the M. K. & T. railroad, trustee of the Texas Research Foundation; treasurer and director of the Radford Grocery Co., of Sherman; director of the Texas Power and Light Co.

Active many years in civic work, Mr. Hopkins was a trustee of the Wilson N. Jones hospital in Sherman; a member of the Masonic order; past president of the Sherman Chamber of Commerce and Rotary club; president of the Community Concert Association; a past president of the District Section of the East Texas Chamber of Commerce, Sherman board of education and Boy Scout Council.

## Aged Resident Of Carrollton Dies At Home

Carrollton — Mrs. Jennie Stone Johnston, 85, native and lifelong resident of Greene county, died at her home in Carrollton in her sleep sometime Saturday night. She was found dead by her niece, Mrs. Joseph Bird, with whom she resided, Mrs. Johnston had been ill for sometime.

The decedent was born in Greene county, the daughter of Abraham and Mary Stone of Carrollton. Ten years ago she was married to Avery Johnston, who died about a year later.

Mrs. Johnston was a school teacher in Greene county for many years. For 25 years she taught the third, fifth and eighth grades in the Carrollton school system. She retired a number of years ago.

She was a deaconess in the Carrollton Baptist church and a past-president of the missionary society at the church.

The body was taken to the Simpson Funeral home. Funeral services will be held at 2 p.m. Tuesday in the Baptist church, with burial in the Carter cemetery. Rev. Laurel Grigg will officiate.

## Peter Sweeney Of Virginia Dies Monday Morning

Peter Sweeney, retired farmer of Cass county, died at eight o'clock Monday morning at the home of a niece, Mrs. Edwin Finn Jr., who resides north of Virginia. Mr. Sweeney was 80 years of age and had been in poor health for some time.

He was born near Virginia June 18, 1871, the son of Edward and Mary Faulkner Sweeney. He is survived by several nieces and nephews.

The body was removed to the Massie Funeral Home where the Rosary will be recited at 8 p.m. Tuesday with Father Michael Hanahan in charge. Funeral services will be held at 9:30 a.m. Wednesday at St. Luke's Catholic church. Interment will be made in the Walnut Ridge cemetery.

## Courtesy Pays Local Drivers In Safety - - And Cash!

Courteous Driving netted \$5 to two Jacksonville motorists Saturday, the opening day of the Chicago Motor club's annual contest. Two more persons will be chosen daily through Thursday of this week.

Saturday's judges were Margaret Pay Hopper, representing the Business and Professional Woman's club, and Mrs. T. Ray Baker of the Jacksonville Woman's club.

It took them slightly over an hour to find two good drivers in Jacksonville, but they felt later that they had trailed down two exceptionally good ones.

Miss Hopper, extreme left, is shown handing a \$5 check to Mrs. William Hadden of route 1, Jacksonville. The Hadden children were passengers in the car; Nancy, 12; Jean, 3; Jane 5, and Bobbie, 9.

The second photo shows Mrs. Baker giving the award to Austin B. Patterson, 818 Doolin avenue.

The judges spotted Mrs. Hadden as she carefully backed her car out of its parking place on the west side of the square. She moved over to the inside and moved smoothly over the northeast corner of the square, where she slanted to the right and turned down North Main street. She approached the railroad track with caution and signaled that she was turning right into the Swift lot. The judges thought she had done a splendid job of driving.

After looking around for 45 minutes without seeing anything that looked too much like courteous driving, the judges saw an east-bound Kaiser automobile make a full stop at the West Lafayette-Prairie street intersection. The car moved along smoothly at 25 miles an hour. The driver signaled a right turn into North West street, signalled and made a full stop at Douglas and then signalled a right turn into the Jacksonville Creamery company parking lot.

They discovered the driver was Austin B. Patterson. He had to do considerable scratching around to locate his driver's license, but finally came through to qualify for the \$5 cash award.

Riding in the Patterson car were Mrs. Patterson, Mr. and Mrs. Lee Irvin and daughter, Ruth, of Ashland.

## Woman Of Year

LOUISE GATES EDDY

The City Council of the Beta Sigma Phi sorority which has 150 members in Jacksonville, concluded its meetings for the season Friday evening with a dinner in the Pilgrim Room at Hamilton's cafe. At this time Louise Gates Eddy (Mrs. Sherwood Eddy) was the special guest as she had been chosen as Jacksonville's Woman of the Year, by the five chapters of the sorority. Mrs. Eddy will serve as council special sponsor for one year and automatically become an honorary member for life. The Council presented Mrs. Eddy with a beautiful bouquet of red roses.

After the dinner Mabel Symmonds, president, conducted a business meeting. Marion May gave a history of Beta Sigma Phi sorority and Lola Johnson reported on the Area council meeting May 19 at Bloomington. Appreciation was expressed for the cooperation received in the recent project of sponsoring the dance revue of pupils of Gaylord Spotts at the high school.

The council installed new officers: president, Virginia Gray; vice president, Joyce Christison; recording secretary, Ina Stewart; corresponding secretary, Marion May and treasurer, Dean Harmon. Mabel Symmonds presented each officer with a gift in appreciation of their cooperation during the past year. Other guests presented were Mrs. Leola Hutchison and Carol Vieira.

## "Three Wise Men" Pastor's Sermon At Baccalaureate

Central Christian church was filled Sunday evening with families and friends of the 1952 graduating class of the Jacksonville high school at the annual baccalaureate service. Dr. Frank Marston of Grace Methodist church, the guest speaker, chose "Three Wise Men" as the title of his sermon. The appropriate message concerned the related quotations of: Socrates, "Know Thy Self"; Confucius, "Control Thy Self" and from the Bible, Christ's, "Deny Thy Self."

The audience stood for the entrance of the class dressed in gray gowns and tasseled mortarboards. Mrs. Francis Angel at the organ playing "Fanfare." Rev. Leslie Heuston gave the invocation. The mixed senior ensemble consisting of Barbara Craven, Helena Dietz, Judy Kurtz, John Walker, Bob Benson, Kenneth Wright and Frank Auwarter sang "The Lord's Prayer." Rev. Heuston read scripture from chapter seven, verses 21 to 29 in the book of Matthew. The attendance stood and sang the three verses of the hymn, "Lead On O King Eternal." Just prior to the sermon Virginia Hollowell sang, "O Rest in the Lord." After the address by Rev. Marston, Kenneth Wright sang "How Lovely Are Thy Dwelling." Rev. Heuston gave the benediction and the audience again stood until the academic procession had passed from the church. Mrs. Angel played "March Romaine" for the recessional.

**Glasgow Resident Dies At Hospital In Jacksonville**

Glasgow—Mrs. Florence Adams, 88-year-old resident of Glasgow, died at Passavant hospital in Jacksonville Sunday morning. She had been a patient at the hospital for the past 15 weeks, suffering from a broken hip sustained in a fall at her home.

Mrs. Adams was born Nov. 26, 1863, in White Hall, the daughter of James and Jennie McLain Linder. On Oct. 10, 1881, she was united in marriage with Emile Adams of Glasgow. The couple celebrated their golden wedding anniversary on Oct. 10, 1931, and on Nov. 19, 1931, Mr. Adams died. Eight years ago Mrs. Adams moved from the old family home west of Glasgow into this community.

The deceased was a member of the Glasgow Christian church and belonged to the Eastern Star lodge of Hillview.

Mrs. Adams is survived by two sons, one brother, two granddaughters and two great-grandsons. The sons are Claude Adams of Winchester and Clarence Adams of west of Glasgow. The granddaughters are Mrs. A. L. Clark of Roodhouse and Mrs. Clarence Wilson, west of Glasgow.

The remains were removed to the Cunningham Funeral Home before they were taken to the Clarence Wilson residence Monday morning. Funeral services will take place Tuesday at 2:30 p. m. in the Glasgow Baptist church. Burial will be made in the Glasgow cemetery. Rev. Charles Leitz will officiate.

**NEWCOMERS CLUB FAMILY PICNIC WEDNESDAY NIGHT**

**City Power Plant Crippled By Bolt; 600 Workers Idled**

The Jacksonville municipal power plant was operating under handicap Monday as the result of a lightning bolt at 4 o'clock Sunday afternoon, which knocked out the blower motor on the No. 5 generating unit.

Six hundred employees of Nesco were idled Monday as a result of the power interruption.

**Women of Moose Furnish Room At Sanatorium**

The Women of the Moose are completing a project of furnishing a room at the Oaklawn sanatorium. A general committee of which Mrs. Saralee Sandberg is chairman has been working on the arrangements. Members of the committee include Marie Strubbe, Eloise Garrett, Geraldine Peters and Fionnie Kirk.

Within the organization additional help was received from the hospital aid, the social service and the ritual committees.

At the regular meeting Tuesday night Dr. Morris Greenberg, superintendent at the sanatorium spoke to the women about the care and treatment of the patients. At the same meeting the following women were initiated into the group, Thelma Vieira, Velma Switzer, Ollie Proffitt, Hazel Taylor and Lucille Kiley. The members also voted to contribute to the Celestial Palsey drive. The next regular meeting will be Tuesday, June 2. On Tuesday, May 27 entertainment night will be enjoyed.

At the close of the meeting refreshments were served by the hostesses Frances Meyers and Saralee Sandberg.

**DINNER TO HONOR GOLD STAR PARENTS**

At a dinner Tuesday at 6:30 p. m. the Blue Star members of the War Dads and their Auxiliary will honor all Gold Star parents in Morgan county.

Special guests from a distance will be the national Auxiliary president, Mrs. J. Paul Miller of Albert Lea, Minn.; the state Auxiliary president, Mrs. T. B. Mitchell of Albion; and the state War Dads president, Ralph K. Knowles of Rushville.

A Jacksonville men's quartet will sing. Mrs. Thomas Ruby is chairman of the program.

**BUY U. S. SAVINGS BONDS**

The industrial plant consumes almost the entire output of current from one generating unit. When the No. 5 unit was knocked out the Nesco plant could not be served until repairs are made, city officials said.

The No. 3 generating unit at the power plant has been out of service for some time, due to damage from lightning.

Alderman T. C. Chumley, chairman of the light committee, said he has sent a truck to Beloit, Wis., to bring a new blower motor to this city. Driving the truck are George Coldey, superintendent of the water and light department, and Edwy Chumley.

"I sent my own truck and two men so they can drive alternately and get the motor back here in the least possible time," Alderman Chumley said.

Generating units 1, 2 and 4 were functioning as usual to supply the local load with exception of Nesco. E. C. Shults, manager of Nesco, said he was advised that power will probably be available again Tuesday.

**Social Events**

**May Birthday Party of Westminster Ladies Aid**

The Ladies Aid Society of Westminster Presbyterian church held their May birthday party on Saturday afternoon at the Bradish home, 1130 West College, with a large attendance of members and guests.

Mrs. Mahala Bradish exhibited a part of her large collection of buttons and told in an interesting way about the different types of buttons, the methods of manufacture, and the places from which they come. She stated that buttons collecting now rank third among the collecting hobbies of the country, and showed a monthly magazine to the subject.

Refreshments were served later by the hostess, Mrs. Philip Bradish, assisted by Miss Esther Conner, Miss Frances Melton, Miss Marie Clifford Sibert, Mrs. Benton C. Nelms, and Mrs. George Wiese.

**Rites Sunday For Jerseyville Man Stricken Fishing**

Jerseyville—Funeral services for Loney M. Cope, 78 year old Jerseyville man who died Thursday while fishing in Greene county, were held at 3:30 p. m. Sunday at the Gubser funeral home with Rev. Melvin McClain in charge. Interment was made in the Fieldon cemetery.

Mr. Cope was fishing at a lake in the Bluffdale township, Greene county with William Garber and George Cope of Jerseyville when he was fatally stricken and succumbed. An inquest by Greene county coroner, Will Howell Wolfe, brought a jury's verdict of death due to coronary thrombosis.

The deceased was the son of the late William and Laura Medford Cope and was born Aug. 10, 1873 in Jersey county. Two daughters survive, Mrs. Thomas Silk of Godfrey, Mrs. William Briggs, Jerseyville; three sons, Leonard, Jerseyville, Earl and Cloyd of Kalamazoo, Mich.; two brothers, Claude and Clem Cope, Alton; two sisters, Mrs. Hattie Jones and Mrs. Della Henson, Alton, 11 grandchildren and three great grandchildren.

## White Hall Legion To Decorate Graves In Six Cemeteries

White Hall—American Legion post No. 70 has carried out its annual plan of purchasing new American flags to mark the graves of all servicemen buried in the new cemetery here, the old White Hall cemetery, Jones, Belknap, High Street and Walkerville cemeteries.

W. L. Gardner is in charge of this project and he with his helpers will mark these graves on Wednesday.

Anyone knowing of a grave to be marked which might have been overlooked in the past should contact Mr. Gardner or Commander Bob Hubbard of the post.

One of the largest stones to be decorated in the old White Hall cemetery carries the name of Leonard with the notation that he served as adjutant general under Abraham Lincoln.

The Good Will class of the Methodist church held its annual breakfast at the church Friday morning. The committee in charge was composed of Mesdames Crystal White, Nora Henderson and Mabel Hutchens. Guests included Mrs. Pearl Mitchell and Ruth McGrew of Roodhouse.

### AGED FOSSIL

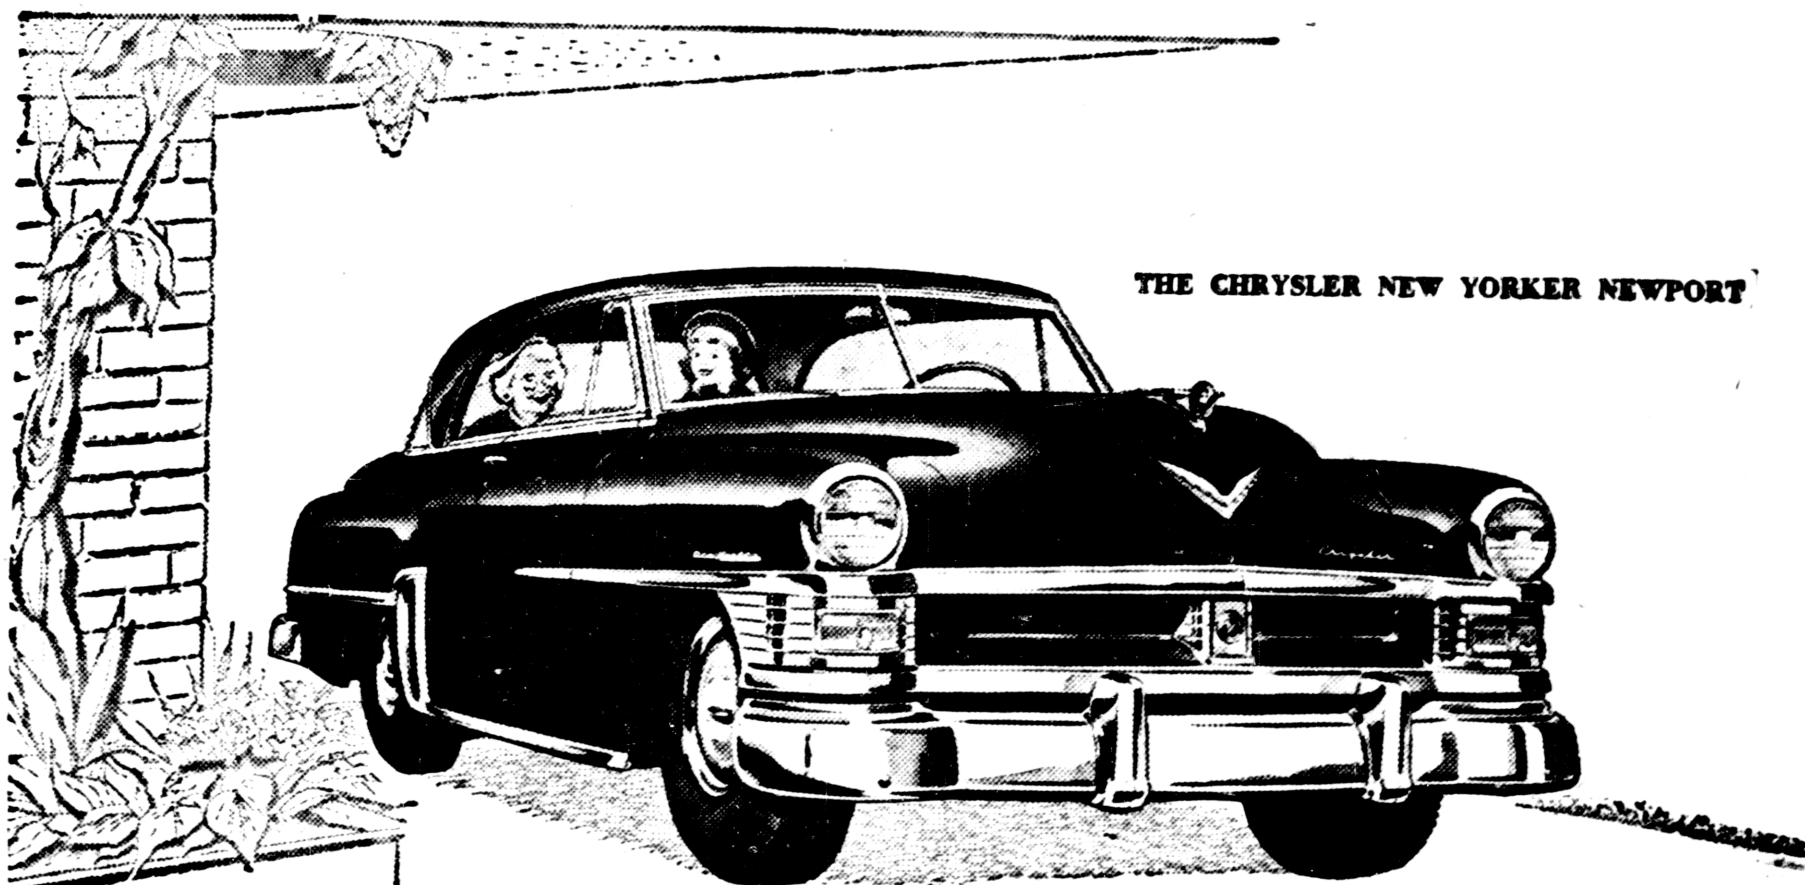

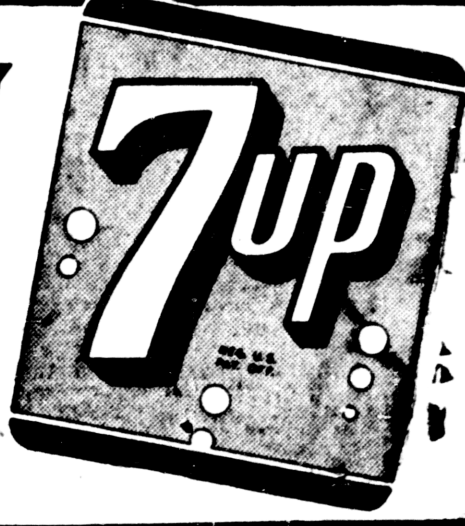

The fossil of a six-foot-long cephalopod, 411,000,000 years old, is imbedded in the ceiling of the Cave of the Mounds, near Madison, Wis. The huge fossil was 300,000,000 years old before the days of the dinosaurs.

### THE ALL-FAMILY DRINK!

Sparkling 7-Up is so pure, so good, so wholesome for everyone! Buy it by the case for your family and guests.

## WHAT ARE YOU DOING TOMORROW?

This invitation could result in the most important day of your motoring life. We'd like you to take the wheel and really drive a Chrysler New Yorker car. Everything good you've heard about this great car is true . . . and then some. Its new V-8 engine . . . its power steering . . . its power brakes . . . its astonishing comfort . . . each is an experience you will thrill to, and remember.

So . . . tomorrow . . . or any time that is convenient . . . come discover real power steering! Hydraulic power does 4/5 the work as you turn the wheel . . .

and also gives you 5 times the usual control on bad roads . . . with the same wonderful "wheel feel" every mile!

Drive America's finest engine! Feel for yourself the acceleration, response, reserve power of 180 V-8 horsepower. Learn why owners praise the matchless performance they get . . . without even having to use premium fuel!

Feel what power brakes are like! Power from the engine boosts the power of your foot. With up to two-thirds less than normal pressure, you will get the surest, easiest stops in your life!

Test the comfort that's unequaled! On body-pleasing chair-height seats . . . with sweeping vision all around . . . you take good roads and bad on shock absorbers with over twice the shock-absorbing power of those on cars you've had before!

## Pupils Receive JHS Yearbooks Monday Morning

At 8:30 Monday morning 776 students at the Jacksonville high school received their long-awaited yearbooks, the *Crimson J's*. This is an excellent percentage as the enrollment is 800 and many families have more than one child in high school.

The attractive books are bound in blue and white lettering. As near as possible the theme of movies has been used in the make-up of the school year book. Many titles of films are used as captions for seniors and in the lay out the production staff is classed as the "cast"; clubs are named "guilds" athletics were left as stated and activities of the school were classed as "productions."

Co-editors this year were Lucy Flynn and Judy Kurtz. The additional staff members, who are all senior students, are: Eric Lair and Gaylord Spotts, business managers; Joann Crawford and Virginia Hollowell, senior editors; Frances Sammons, club editor; Joann Powell and Nancy Gruney, circulation managers; Friedrich Engelbach, Donna Crain and Shirley Reed, photographers; Bud Halter, feature editor; Lowell Swearingen and Gaylord Spotts, artists; Elizabeth Sturm and Jane King, calendar editors; Pat Shannon and Marion Willets, typists; Bill Dickerson, boys athletic editor and Patty Babb, girls athletic editor.

## Perfume That Clings

Q.—Dear Penny: I adore perfume, but for some reason or other its fragrance just does not last on me. I have told several of my friends that I want a new perfume, but first I must find out about a lasting one.—Mrs. A. W.

A.—A particularly good idea for women who claim that perfume does not "stay with them" is a Liquid Skin Sachet. It smooths on the skin very easily, and lingers longer because of its sachet base. It has a slower rate of diffusion and evaporation than any other type of fragrance. Try this Houbigant's Chanilly Liquid Skin Sachet. Only \$1.85 plus tax at Long's Pharmacy, 69 East Side Square.

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, May 26.—(P)—Hogs staged a small recovery action today but cattle were as much as 50 cents a hundredweight lower. Steers were prominent in the largest cattle run in more than a month. Sheep were steady to 25 cents higher.

Prices on fresh receipts of hogs generally were steady to 25 cents higher than Friday's average figures. Most butcher weights were worth \$19.25 to the top for the day of \$21.75. Sows took \$17.25 to \$19.25 in most cases. Clearance was good with outside order buyers getting 3,000 of the estimated 11,000 hogs on sale.

In the cattle trade choice to prime steers found outlet at \$32.75 to \$37.50 and one high-prime load peaked at \$38.25. Most choice to low-prime heifers made \$27.50 to \$32.50. Cows topped at \$26.00, bulls at \$28.00, and vealers at \$33.00. Best woolled lambs touched \$29.50 and shorn \$28.50. Slaughter ewes continued to bring \$13.00 and below.

Estimated receipts also included 15,000 cattle, 500 calves, and 2,000 sheep.

## New York Stock Market

New York, May 26.—(P)—Trading interest was at a low level in today's stock market and prices held barely steady.

Transactions for the day ran only to around 900,000 shares against 1,150,000 in the preceding full session last Friday.

Price changes, most of them limited to a few cents a share, were mixed in most sections of the list.

Higher were Goodrich, Illinois Central, Bethlehem Steel, New York Central, Chrysler, Santa Fe, Montgomery Ward and Douglas Aircraft.

Lower were Studebaker, Caterpillar tractor, DuPont and American Woolen.

U. S. Government Bonds were virtually unchanged in over-the-counter trading.

**NOTICE**  
We will be closed Friday and Saturday, May 30 and 31. Beginning June 7, we will close each Saturday at noon.

## Wheat, Grains Sag On Chicago Market

Chicago, May 26.—(P)—Wheat sagged on the Board of Trade today as the Canadian wheat territory reported fair to good rains and the Weather Bureau forecast showers for North Dakota.

Both of these areas have been complaining of lack of moisture over the past couple of weeks. Traders felt that if the moisture was extensive enough, wheat prospects would be greatly improved.

Other grains headed lower with wheat. Trading was not very active in any pit, being featured by a lack demand. Liberal receipts of government-owned corn held back corn and oats.

Preliminary estimated receipts of grain in carlots: wheat 17, corn 156, oats 47, rye 3, barley 42 and soybeans 220.

Wheat closed 1-1/2 lower, July \$2.33-1/2, corn 1 cent lower to 1-1/2 higher, July \$1.83-1/2, oats unchanged to 1/2 lower, July 76-1/2, rye 1-1/2 lower, July \$2.00, soybeans 1-1/2 lower, July \$3.00-3/4, and lard unchanged to 5 cents a hundred pounds higher, July \$12.30.

## Auto Daredevils In Thrill Show Sunday Afternoon

### Chet Miller Breaks 10-Mile Mark At '500'

Indianapolis, May 26.—(P)—Chet Miller of Glendale, Calif., the 49-year-old "old man" of the Indianapolis Motor Speedway—broke the 10-mile qualification record in time trials today.

His time for the four laps of the 2½ mile track was 4 minutes 18.93 seconds for an average speed of 139.034 miles an hour in a Novi Pure Oil Special.

Miller, who is a veteran of 15 previous May 30 classics, did not however, break his single lap mark of 139.500 miles an hour set last Saturday.

Miller's record-smashing performance bumped the fifth driver out of the race in today's trials. He was Mike Nazaruk of Hempstead, N. Y.

Only two places remained open for the 33-car field as the final day of qualifications started.

These were quickly taken over by Johnny Parsons of Sherman Oaks, Calif., the 1950 winner, and Tony Bettenhausen of Tinley Park, Ill.

Then along came some heavy footed drivers who began bumping slower qualifiers from the field.

Parsons made the 10-mile qualifying run in the Jim Robbins Special at an average of 135.328 miles an hour and Bettenhausen qualified the Blue Crown Special at 135.384.

The bumping then began. Johnny McDowell of Venice, Calif., qualified his McDowell Special at 133.937 bumping Bob Sweikert of Los Angeles. Sweikert took over another car, however. Sweikert's new car was the McNamara Special and he qualified it at 134.983.

Manuel Ayulo of Burbank, Calif., at the wheel of the Coast Grain Special, averaged 135.982 to bump George Tichenor of Longport, Ind., and Saturday qualifier in the Pete Schmidt Special at 133.427.

### Morgan Track To Be Site Of Stunts

The 1952 International championship open stunt competition will be held in conjunction with the Thrill-Cade Auto Daredevils thrill circus at Morgan county fair grounds Sunday afternoon.

More than a score of the world's greatest stuntmen, some of them direct from Hollywood movie lots, will be here for the one performance, each with hopes of winning points for the International Stuntman's Association gold trophy and its \$10,000 cash award. A purse of \$100 will also be presented to the winner of the crash roll-over contest.

Among the drivers that will assemble here is a new-comer Danny Pleenor of Tampa, Fla., who served his apprenticeship with a smaller thrill show, then spent a hitch in the Navy. He recently joined Thrill-Cade, and is keen and eager to resume his thrill-producing feats on motorcycles and at the wheels of speeding autos.

## 2,000 Auto Fans See Rain Instead Of Races

Over 2,000 fans were disappointed Sunday afternoon when four heavy showers completely washed out the annual big car championship auto races at Morgan county fair grounds.

The fans waited patiently for over two hours while starter Al Sweeney and other officials of the IMCA and Jacksonville Zingabard Grotto worked between rains to get the half-mile dirt track in shape for racing.

Sweeney and his workers had the track ready for Bill Holland and the other big name racers three different times between 10 a. m. and 3 p. m.

The cars were just being rolled onto a damp track at 3 o'clock when the fourth shower was seen coming across the fields from the north. The rain hit and everybody knew that an afternoon of racing was impossible. The track was a quag-

## Pikes Peak Caravan Stops In Jacksonville

The Pikes Peak Hill Climb Caravan, five cars and 18 men, passed through Jacksonville last night en route to Indianapolis, Indiana, from Colorado Springs, Colorado, where they will attend the Memorial Day 500-mile Race.

The purpose of the trip is to attempt to interest "500-Mile" drivers in competing in the Pikes Peak Hill Climb race held every Labor Day on Pikes Peak near Colorado Springs, and to sell the Pikes Peak Region, America's top tourist attraction, to the group.

The group, composed of members of the Pikes Peak Hill Climb association, newspapers and radio men and civic boosters, is led by Lloyd Faddis, president of the association. Their caravan left Colorado Springs, Sunday, May 25th, to attend the race which is held Friday, May 30th, at Indianapolis.

Cars in the Caravan are 1952 Studebakers supplied by the Studebaker Corporation. They will later be used as official pace cars for the Hill Climb.

The Hill Climb, called by spectators and drivers alike "the toughest uphill race in the world," has been held annually on Labor Day since 1916 on the twisting Pikes Peak Highway. The race course winds over a road containing 165 turns, most of them of the hairpin variety, from an altitude of 7,415 feet to the summit of Pikes Peak, 14,110 feet above sea level.

Hayden Walker, president of Walker Motor Co., led the Jacksonville contingent that greeted the caravan here last night.

### Ruck Steger Tells Franklin Why Illini Win

Franklin—Ruck Steger, who played fullback on the University of Illinois' great 1946 Rose Bowl champion football team, told Franklin high school athletes just why the Big Ten conference is tougher than the Pacific Coast last night.

The husky ex-athlete, now assistant baseball coach for the Illini and an insurance salesman in Champaign, gave the main address as the Franklin Lions club honored Coach Vic Mosley's prep athletes.

"The west coast athletes do not have that deep-set desire to win that is inherent in the Big Ten," Steger stressed. "In the Big Ten we take it for granted that everybody is going to be big, strong, fast and smart. Therefore, we look for something extra in a boy—namely the desire to win."

Steger, who patterned his speech after the old master himself, Ray Eliot, continued with his inspirational message. "Chuck Boerio, the All-American linebacker from Kincaid, was making his own living at the age of nine. He fought to college. I'd rather have that guy on my side than a dozen of the sunshine boys from California," Ruck rumbled.

Steger told the boys of his own change of attitude when he came onto the University of Illinois campus from St. Louis in 1946. He told stories of such Illini greats as Lou Levanti, Alex Agase and Max Wenskuns.

Bill Rees, president of the Franklin Lions opened the meeting. Vic Mosley served as program chairman. Harry Fitzhugh, superintendent of Franklin schools and Bob Merris of the Journal-Courier gave short talks.

Mosley also introduced cheerleaders and athletes and presented varsity letters for football, basketball and baseball.

## FAN BREEZES

BY BOB MERRIS

Race promoter Al Sweeney, who took a big dip when the big cars were rained out here Sunday afternoon, left last night for Belleville, Kansas, where his boys will try to recoup Friday. Al reported before leaving that there is an outside chance that he may be able to return the cars to Jacksonville in July. The Zingabard Grotto, local sponsor of the races, has taken the matter under consideration and will release its decision soon.

It can't happen twice in a row. That's how the Grotto members feel as they look forward to this Sunday afternoon and Aut Swenson's Thrillcade. They proved their good faith by refunding every cent of ticket money for Sunday's races. Fans can now return the gesture by supporting the Thrillcade. Those who saw the thrill show last summer will testify that the chills and spills are worth the price of admission. Two new Fords were wrecked, though not intentionally, on the muddy track.

Franklin fans who heard Ruck Steger speak last night were quick to decide that the big ex-fullback is a reasonable facsimile of Ray Eliot when it comes to producing the adjectives after dinner. It was evident that Ruck has patterned himself after his Coach and he's doing a tremendous job of delivering the inspirational message a la Mr. Illini.

Jerry Barber finished in a tie for eighth place with Jack Burke and Jimmy Demaret in the Colonial Open Sunday. This was good for \$750. The former Jacksonville boy will be in St. Louis from Thursday through Sunday this week to compete in the big tournament at the West Mount club.

### Senators Down Athletics 5-3, Slam Out 13 Hits

Washington, May 26.—(P)—Sid Hudson held the Athletics to nine hits and batted across two runs today as Washington defeated Philadelphia, 5-3, on a 13-hit barrage against Sam Zoldak and Johnny Kucab.

Hudson and Archie Wilson drove across all of Washington's runs. Wilson, the ex-Yankee, slammed over three with a triple and two singles.

Washington scored with two out in the first inning on Jackie Jensen's double and Wilson's triple. Elmer Valo, who accounted for three of the A's hits, blasted a second inning home run over the rightfield fence to tie the score. Valo later singled, walked and doubled.

Successive singles by Pete Runnels, Mel Hoderlein and Clyde Kluttz loaded the bases for the Senators in the second inning but they got only one run out of it. Runnels scored after Hudson filed to Guss Zernial in left field.

Jensen's second double and Wilson's single broke Washington into a 2-1 lead in the third inning. The Senators made it 4-1 in the fifth when Eddie Yost doubled and came around on Wilson's single.

The A's sliced their deficit to 4-3 in the sixth with a 2-run outburst. Singles by Zernial and Billy Hitchcock, a walk to Valo and an error by Runnels figured in the uprising.

Washington picked up its final run in the eighth after Mickey Vernon singled. Runnels sacrificed and after Hoderlein filed out, Kluttz was purposely passed. Hudson then stroked a pop fly single into left, scoring Vernon.

By Innings: Philadelphia ... 010 002 000—3 9 0 Washington ... 111 010 015—5 13 2 Zoldak, Kucab (6) and Tipton; Hudson and Kluttz. LP—Zoldak. HR: Pha—Valo.

### Red Sox Whip Yankees 6-3 To Sweep Series

Boston, May 26.—(P)—Don Lendhardt powered home five runs with a homer and double off Johnny Sain tonight as the Boston Red Sox whipped the New York Yankees 6-3 to sweep their two-game series. Lefty Mel Parnell held the world champions in check except for Gil McDougal's three-run homer in the sixth.

The verdict kept the Red Sox in a second-place deadlock with Washington, two and one half games back of the pace-setting Cleveland Indians, idle today.

### House Of Clay Nine Looks Strong In Game At Nichols

The House of Clay fielded a revamped softball team at Nichols Park last night and whipped a strong Greenfield club 8-7 in an eight-inning thriller.

Manager Harold Robinson has loaded his ball club with talent and the colored nine will be a power in the senior league if last night's performance is any indication.

Oliver pitched for the Claymen and Smith was the catcher. Osborne and McCarthy formed the Greenfield battery.

Hannibal Dixon's nine whipped Bruce Samore's club 10-1 in the opener. Dixon and Watts handled the battery duties for the winners. Bob Beck twirled and Jim Beck caught for the Samorees.

## A THRILLER

Heated for certain destruction is this flying machine piloted by Lewiston Barron. British veteran of hundreds of such deliberate crashes. Racing at all the speed he can coax from his machine, Barron rushes it toward the scrap heap by taking off from a 4-foot ramp and soaring 30 feet into the parked cars. This "dive-bomber" crash will be only one of the 28 spectacular events to be seen Sunday afternoon at the Morgan County Fairgrounds Speedway, when the Swenson Thrillcade appears in conjunction with the 1952 International Stunt Contest.

## THE OLD MASTER AT HIS BEST

Phog Allen, long time basketball coach at the University of Kansas, is at his best when he has a ball in his hands and an audience.

Those were the conditions under which the good Doctor worked Saturday night when he spoke at the Illinois School for the Deaf athletic banquet.

The top picture shows Phog (second from left) explaining some fine points of the game to cager Tom Kibicka (left) athletic director Spike Wilson and basketball coach Art Yates.

Below, the bespectacled Allen warms up to his subject, which was the basketball fix scandals which have emanated from Madison Square Garden. Phog charged. Wilson, right, stands on a chair to give the deaf students a good look at his interpretations.

## Big League Pitchers Still Fooling Hitters

New York, May 27.—(P)—Never before within the memory of the current crop of baseball experts have so many low-hit games been pitched at this early stage of the big league campaigns. The boys in the press boxes are knocking themselves out trying for some explanation of the sudden dominance of the curvers.

Scarcely a day passes but some club is shackled with a one, two or three-hitter. There already has been a no-hitter, a double one-hitter, and so many other brilliant performances—several of them by comparatively obscure workmen—that the suspicion is inescapable that something is going on here. The hitters are getting their lumps.

It began back in the exhibition games, we recall. Pitchers nobody ever heard of before took turns confounding the game's best-paid sluggers. Little attention was paid at the time, for any expert worth shooting knows that the pitchers always are ahead of the hitters in the spring.

Readers were assured it was purely a temporary condition and were guaranteed the situation would sort itself out once the hitters found their eyes. Obviously, the pitchers failed to read it. They're all dreaming of 25 and 30-game seasons and are not interested in axioms.

It is customary in cases such as this to haul the baseball manufacturers on the carpet and demand to know what they have done to the official pellet. The only thing is, they always said the same, that they haven't done anything to their product since Babe Ruth hit 60 home runs except to up the price.

Maybe there aren't as many good hitters around as there were even a few years ago. As Manager Casey Stengel of the Yankees said the other day: "maybe this ain't a hitters' league any more."

In support of the theory, a glance at the batting averages shows that the few established sluggers in each league still are getting their knocks and virtually dominate the standings. It is the newcomers who are finding things tough.

### Giants Take Over NL Lead With 4-2 Win Over Brooks

New York, May 26.—(P)—The New York Giants whipped the Brooklyn Dodgers tonight, 4-2, to climb into first place in the National league and dropping the Brooks into second, a half game behind. Bobby Thomson drove in three Giant runs with a home run and a long fly and Whitey Lockman scored thrice via a walk, triple and home run.

George Spencer, who relieved starter Jim Hearn with the score tied at 2-2 in the second, turned in a brilliant three-hit performance through 7 2/3 innings to receive credit for the victory. The loser was Carl Erskine, who took over in the second after Brooklyn starter Preacher Roe bowed out for a pinch hitter in the Dodgers' half of the inning.

By Innings: Brooklyn ... 020 000 000—2 6 0 New York ... 201 010 00x—4 4 1 Roe, Erskine (2), Black (7) and Walker; Hearn, Spencer (2) and Westrum. WP—Spencer; LP—Erskine. HR: NY—Thomson, Lockman.

### Bob Rush Twirls Bruins' 3-0 Win Over Cardinals

Chicago, May 26.—(P)—Big Bob Rush hurled his fifth straight victory with a six-hitter as the Chicago Cubs beat the St. Louis Cardinals and Wilmer (Vinegar Bend) Mizell 3-0 today to maintain their brisk third-place pace in the National league.

Rush, who now has a 6-2 record, was backed by a 7-hit attack which included a homer and a two-bagger by third sacker Bill Serena, and a two-run single in the seventh by Bob Ramazzotti.

Serena's wallop into the left field stands, his first of the season, came in the fifth inning for the first Cub run to hang the loss on Mizell, who left for a pinch-hitter after working six innings.

It was the fifth setback against one victory for Mizell, who was relieved in the seventh by Al Brazie. Mizell struck out seven and allowed three hits in his six innings.

Brazie ran into trouble right off the bat in the seventh when Dee Fondy beat out a bunt for the second time. Hal Jeffcoat singled and Eddie Mikis was given an intentional walk to fill the bases with two out.

It was here Ramazzotti smashed his timely single to score Fondy and Jeffcoat.

By Innings: St. Louis ... 000 000 000—0 6 0 Chicago ... 000 010 20x—3 7 0 Mizell, Brazie (7) and D. Rice; Rush and Edwards. LP—Mizell. HR: Chi—Serena.

### Kiner Belts 4th Homer As Pirates Trip Cincy 6-3

Pittsburgh, May 26.—(P)—Big Ralph Kiner belted his fourth home run of the season and his second in two days in the first inning with two aboard tonight to help the Pittsburgh Pirates to a 6 to 3 victory over the Cincinnati Reds.

Kiner's round tripper came off starter Frank Hiller after the first two Bucs, infielder Pete Castiglione and outfielder Bobby Del Greco singled.

Buc rookie Ronnie Kline, looking for his first major league victory, pitched air-tight ball until the sixth inning when the Reds scored three runs.

By Innings: Cincinnati ... 000 003 000—3 6 0 Pittsburgh ... 300 000 30x—6 6 1 Hiller and Seminick; Howell (3); Kline, Friend (6) and Garagiola. WP—Friend. HR: Pgh—Kiner.

### Pete Reiser's Home Run Wins Exhibit For Tribe

Indianapolis, May 26.—(P)—A two-run homer by Pete Reiser in the ninth broke a 4-4 tie and gave the Cleveland Indians a 6-4 victory tonight over their Indianapolis farm club of the American Association.

Bob Leach, a 19-year-old southpaw from Dennison, Tex., hurled five innings in a trial with the Tribe and allowed only two hits and one run. He walked four, but his occasional wildness got him into no trouble.

## City Council Approves Contract With Gibson For Plant Improvement

The last major contract in the current expansion of the city's utility facilities was approved by the city council last night when it agreed to a "cost plus" contract with Hugh Gibson, general contractor, for the installation of roughing filter beds at the south side disposal plant. The improvement is to be installed to allow the city's sewage facilities to process industrial waste from the Mrs. Tucker's Foods, Inc., plant now under construction east of Jacksonville.

According to Orville Foreman, special counsel for the city, Anderson, Clayton and company, parent corporation of Mrs. Tucker's, indicated to representatives of the city council that it would prefer a "cost plus" contract to be let without a formal talking of bids. The company believed, Foreman added, that under this arrangement work would move forward more rapidly.

The attorney read from a letter signed by the late Arthur G. Hopkins, president of Mrs. Tucker's, which the latter signed Friday night. Hopkins died at Our Saviour's hospital Sunday.

## Red Cross Course In Home Nursing To Start June 4

Mrs. Geraldine Taylor, chairman of the home nursing committee for the Morgan County Red Cross chapter, announces that a course in home care of the sick for instructors will commence June 4 and continue June 5, 6, 9 and 10. The course will be given by Miss Elizabeth Sutcliffe, the nursing field representative of the Red Cross for southern Illinois.

The lessons will prepare individuals to teach homemakers, young people and others how to take care of the sick at home simpler, safer, easier and more effectively.

Eligible to enroll are nurses or student nurses, teachers or those preparing to teach, youth group leaders and anyone experienced in leadership and teaching.

In 30 hours of classroom work taught by a specially trained registered professional nurse, the students will hear explanations of principles underlying home nursing methods and skills, see the instructor demonstrate safe and easy methods, practice these skills and learn to teach others.

A Red Cross home nursing instructor training course in mother and baby care will be given June 11-13. To register for either of the courses, persons should immediately contact the local Red Cross office, telephone 1844.

## Mrs. Ernest Savage Chosen President Of Local Teachers

Mrs. Ernest Savage, a teacher of English and Latin in Jacksonville high school, was named president of the Jacksonville Classroom Teachers' association at a recent meeting of its executive board.

French Flynn of the high school faculty was chosen vice president; Mrs. Violet Auwarter of David Price, secretary; and Allen Crosby of Washington school, treasurer.

Mrs. Savage and Miss Mabel Ruyle were elected delegates to the annual meeting of the National Education association to be held in Detroit, June 29-July 5.

At the same election, Miss Ruyle and French Flynn were chosen delegates for 1952-54 to represent the local teachers in the representative assembly of the south central division of the Illinois Education association. This assembly conducts the business of the ten counties which comprise the division.

John Hollowell and John Glenwright were named as alternates.

## Form Council At Chandlerville To Improve Village

Chandlerville—The Chandlerville Improvement Council met Tuesday evening in the town hall and elected officers. Frank Siltman was named president; Elmer Lynn, vice president; and Mrs. Maynard Harper, secretary.

Membership within the council consists of two members from each civic organization and others invited. Ex-officio members include the president of the village council and superintendent of the Chandlerville community unit school district.

Members are Elmer Lynn and Watson Trowbridge representing the American Legion post 694; Mrs. Arthur King and Mrs. Otto Loeffler, the Legion auxiliary; Frank Siltman and Johnnie Griffin, the Optimist club; Mrs. Evan Garner and Mrs. Maynard Harper, the Woman's club and Ora Shankland, editor of the Chandlerville Times, an invited member.

**FAMILY COMES FROM ALASKA FOR CONCORD, CHAPIN VISIT**  
Sgt. and Mrs. Elmer Lee Hamm, Jr., and son, Thomas Lee, are visiting their parents, Mr. and Mrs. Elmer Lee Hamm, Sr., of Concord, Mr. and Mrs. Walter Dobson and sons of Chapin, and friends and other relatives.

Sgt. Hamm is stationed at Fort Richardson, Anchorage, Alaska, where they have made their home for two and a half years. They plan to return to Alaska the middle of June.

The resolution called for approval of a contract with Hugh Gibson providing a cost plus ten percent payment. Foreman pointed out that Gibson had erected the city light plant a number of years ago under a similar contract.

**Plea By Caldwell**  
Prior to the approval of the resolution the council heard a plea by Robert Caldwell on behalf of the Caldwell Construction company asking for a share in the filter bed contract. After some debate by the aldermen it was the apparent consensus, voiced by Alderman Chumley, that "there isn't room for two prime contractors on this job. We started with Gibson and, since he has been satisfactory, we should continue with him. If the Caldwell company desires to obtain some of the business on this project, it should make its arrangements with Mr. Gibson."

The Tucker company is paying a major part of the cost of construction, although the contract was let by the city and is under the city's jurisdiction.

In a second item of business, two resolutions were adopted which approved agreements with the Illinois Division of Highways for financing the resurfacing of West College avenue, South Main street and North Main street. These streets are traversed by U.S. and state highways.

The state agreed to bear the major part of the cost to resurface the two center lanes of the streets and the city agreed to help finance the project by paying to the state \$14,500 and \$17,000 out of its share of the state's motor fuel tax funds. In addition, the city agreed to maintain the outer lanes and curbs of the streets, to enforce parallel parking along them and to enforce such other regulations as the state feels would facilitate the flow of traffic.

**Square Resurfacing Rejected**  
On motion of Alderman May the Council voted unanimously to reject a proposal from the Division of Highways providing for the resurfacing of the center four lanes of the public square. The proposal was rejected because the state demanded the enforcement of parallel parking on the square.

"Such a provision would reduce parking on the square by from 33 to 50 per cent," Mayor Hoagland commented. "It is an impossible requirement."

Alderman Kelly told the councilmen that there have been recent complaints that employees or proprietors of some stores in the business district are sweeping refuse from their establishments into the streets. He is requesting the police department to make arrests if these few persons persist in the practice," Kelly said.

Mayor Hoagland backed up the alderman and added that "it is a minority of persons who are doing this. It makes our streets unsightly and is a health hazard. If the police catch any person sweeping trash from stores into the streets they have orders to make arrests."

Alderman Chumley reported that the generators in the city light plant have been struck three times in recent weeks, the latest occurring Sunday afternoon during an electrical storm. As a result, two of the plant's five generators have been knocked out and are still out of commission.

**Back In Operation Soon**  
Chumley said one generator "should be back in operation sometime today," but the other one cannot be repaired for several days.

The city's power production was shut off for a few minutes immediately after Sunday's lightning bolt, but within a short time the three remaining generators were supplying a "fairly normal load to the city's system."

The Nescio plant was the only major casualty in a reduction of power output. The city was unable to furnish it with power Monday and its employees were idled.

"These are the first such instances of a bolt striking the plant's equipment," Chumley pointed out. He said the trouble lies in a lack of sufficient lightning arrestors at the plant. "We are correcting the situation without delay," he added.

In a final matter, the council received a petition from 20 residents of Plum street, located in the recently annexed Mound Heights region, asking that the name of the street not be changed to Maple Lane, as was asked in a previous petition signed by 17 persons. Two of the petitioners whose signatures were appended to last night's document also had signed the previous one. The latest petition said these two, upon more mature consideration, had changed their minds.

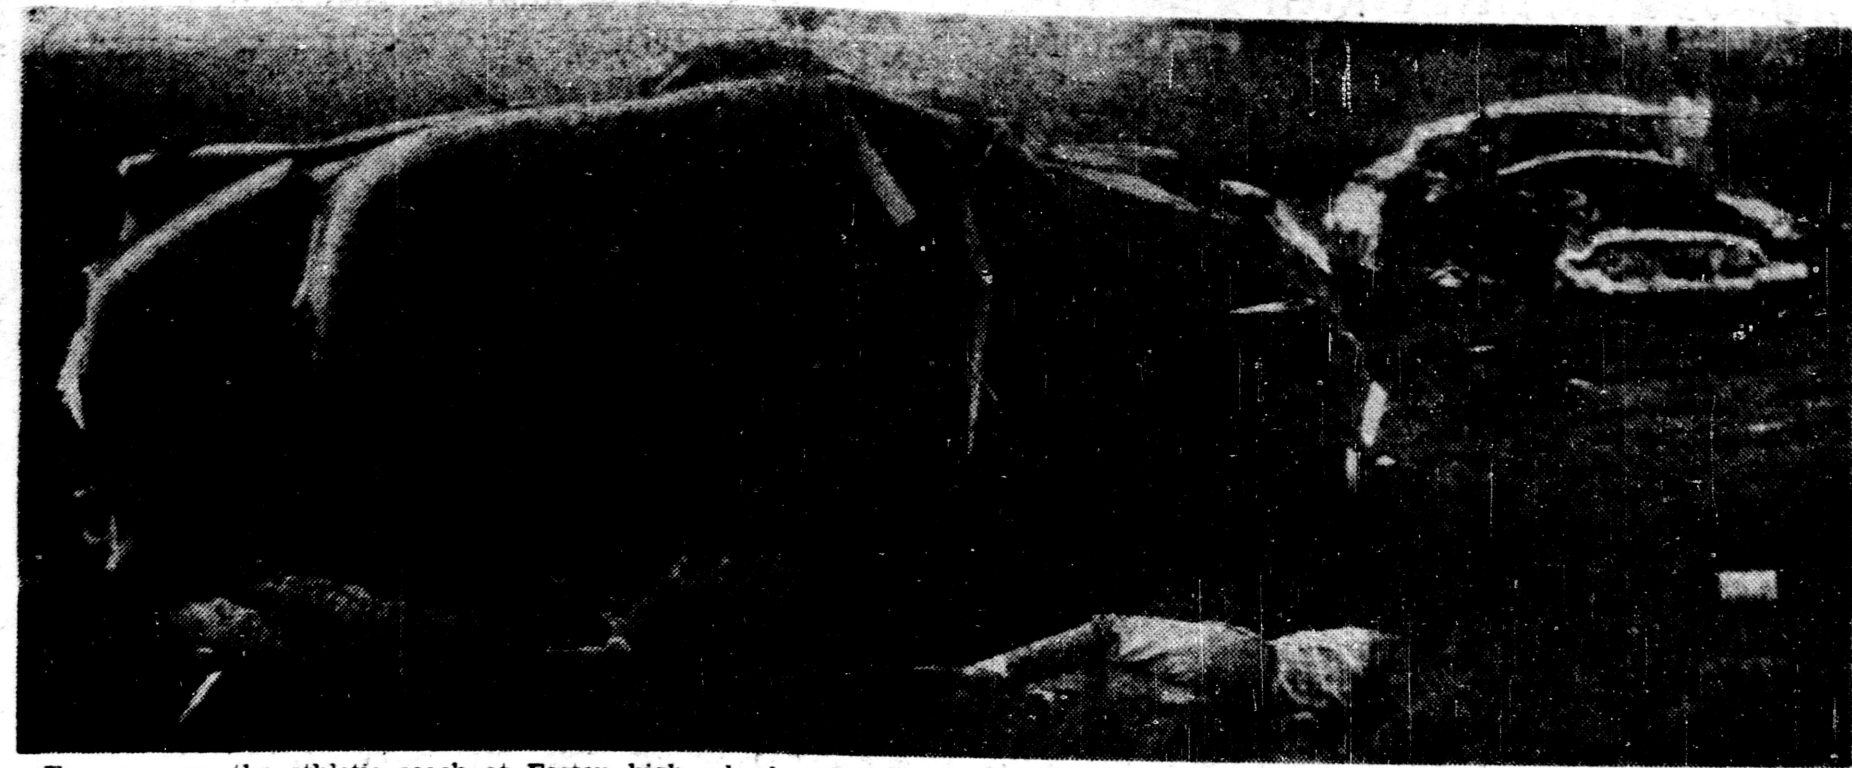

**Still Plum**  
The petition pointed out there are already two streets in the city named Maple Street and that a third thoroughfare named Maple would cause confusion both in mailing addresses and in the event of fire alarms.

The Council took no action on either petition. The name of the street remains Plum.

**NOTICE**  
We will be closed Friday and Saturday, May 30 and 31. Beginning June 7, we will close each Saturday at 12 noon.

## SUDDEN DEATH ON THE HIGHWAY

Four persons, the athletic coach at Easton high school and three students, were killed Monday afternoon in a crash on Route 78 and the Sadoria crossroads, four miles north of Chandlerville. Another student is not expected to live.

Officials said that the westbound car driven by Coach Eddie Stark did not stop at the intersection as it approached the state route off the Sadoria blacktop road. It struck the side of the Buick auto shown at the right, driven by a Peoria woman. Her son, 12, was killed.

## Arcadians Meet For May Luncheon At Community Hall

A May luncheon was served recently to members of the Arcadia Women's club and their guests at the Community Hall, decorated with baskets of purple irises and white spirea. Purple and white are the club colors.

On the tables were small bouquets of roses and spirea, and white candles tied with purple bows. Mrs. Blanche Henderson, the president, greeted the gathering after the luncheon. The group sang "Columbia, the Gem of the Ocean."

Favorite flowers were named and guests were introduced in answer to roll call.

The club voted to give \$5 to the Red Cross. A note was read from the boys at Trail Rangers, thanking the club for a box of cookies sent there recently. Announcement was made of the county federation meeting June 3 at MacMurray College. Mrs. Viola Thompson gave the club prayer.

The program included accordion selections by Mrs. James E. Rawlings and a travelogue by Mrs. A. B. Applebee. She spoke of her trip to Europe. Mrs. Dorothy Lee Mawson gave a humorous reading, "The Bells of St. Mary's" and "Look for the Silver Lining" were sung by Miss Wilma Crum, Mrs. Eulah Standley, Mrs. Carlene McGinnis, Mrs. Bernida Rolf, Mrs. Edna Mallicoat and Mrs. Marie Burrus.

Mrs. Eulah Standley and Mrs. Iva Buck were in charge of arrangements for the meeting. Honorary members present were Mrs. Sallie Deatherage, Mrs. Josephine Obermeyer and Mrs. Cecile Rudisill.

Guests were Mrs. A. B. Applebee, Mrs. James E. Rawlings, Mrs. Dorothy Lee Mawson, Miss Wilma Crum, Mrs. Carlene McGinnis and Rickie, Mrs. Clara Mason, Mrs. Mary Rachel Strubbe, Mrs. Anna Burmeister, Mrs. Blanche Wheeler, Mrs. Hettie Johnson.

## 144 Junior High Pupils To Visit Zoo And Air Field

A day long tour of the St. Louis zoo and Lambert air field is in store for 144 eighth grade pupils of David Prince junior high school. They will leave here early Wednesday morning, accompanied by ten teachers and parents.

The trip is sponsored by the David Prince P.T.A., Mrs. Hugh Green, president.

Buses of the Jacksonville Trailways and cars will load at the school at 7:30 a.m. They are scheduled to arrive at the zoo in Forest park by 10 a.m. A chimpanzee show, a performance by elephants and a lion show will be viewed by the group before leaving for the airport at 2 p.m. At 6 p.m. the travelers will arrive home.

Each pupil is to take a sack lunch. The trip is being partially financed with funds raised by the junior high gym circus.

## New Berlin Rites For Oliver Keiger

New Berlin—Final rites were held Monday at 2:30 p.m. at the McCullough Funeral Home for Oliver A. Keiger, who died Saturday morning at the age of 95. The officiating minister was Rev. E. B. Williams. Mrs. Elmer Roesch offered piano selections.

Palbearers were Lee Burns, E. C. Coulter, Robert Marr, Joseph Hauck, Thomas Wilson and Raymond King. The pallbearers cared for the flowers.

Interment was made in Berlin cemetery.

## Minnesota 4-H Members Plan New Salem Visit

Urbana—Twenty-seven 4-H Club members from as many counties in Minnesota will spend a day in Illinois on June 18.

They will be on their way to Mississippi, where they will spend three weeks living and working on farms of 4-Hers in that state.

This exchange project is patterned after the International Farm Youth Exchange program in which American young men and women live and work in other countries. Last year 26 Mississippi 4-H members came to Minnesota for a three-week stay.

High spot of the Minnesota youngsters' trip through Illinois will be a tour of New Salem State Park near Petersburg, where they will see the reconstruction of Lincoln's village. They are also planning to visit the Lincoln home and tomb in Springfield on their way to St. Louis, the next stop on their tour south.

F. H. Mynard, assistant state 4-H club leaders from the Illinois College of Agriculture, will meet the delegation at New Salem and help conduct their tour through this state.

## Conduct Services For Elsie Simonds

Services for Elsie Y. Simonds were conducted at the Gillham Funeral Home at 2 p.m. Monday. Rev. Leslie G. Houston officiated.

Mrs. R. W. Hutchison presided at the organ. Caring for the flowers were Mrs. J. L. Donaldson, Mrs. Arthur Kelley, Mrs. Warren Steinway and Mrs. Louise Vanderpool.

Pallbearers were Carl Swanson, J. C. Colton, Louis Stevers, Ed Moy, Yale Pontius, William D. Erickson, John R. Wilson and W. E. Marine. Burial was made in Diamond Grove cemetery.

**PICKUP TRUCK, PARKED CAR DAMAGED HERE MONDAY**  
A Chevrolet pickup truck driven by Julian Sheppard, Jr., of White Hall struck a parked Ford car on West State street at 4 p.m. Monday. The vehicles were damaged slightly. No one was injured.

The car belonged to Mrs. Ella Zahn, 942 W. Lafayette avenue. It was parked in front of the residence at 1009 W. State street. Sheppard, driving east, hit the left rear end of the auto.

**PLEASANT PLAINS SOLDIER COMES BACK FROM KOREA**

## Advisory Board For Youth Theater Appointed Monday

A Youth Theater for the children in this area took a step nearer reality Monday with the appointment of an advisory board to serve during the coming season. The A.A.U.W. backer of the plan, announced that the board will consist of Mrs. P. J. Davis, Mrs. William Cole, Mrs. W. O. Randall, Miss Miriam Russell and Mrs. Milo Gregory.

Solicitation for talent and stage hands has already begun according to Miss O. K. Fries, director of the group. Miss Fries is particularly anxious to contact someone who is interested in the designing and building of settings.

Before next season's slate of plays can be chosen, the director must have her performers well in mind. Children's plays call for an unusually large collection of actors, musicians, dancers, singers, acrobats, magicians and jugglers.

Anyone with the above talents or other platform ability wishing to work with the Youth Theater should contact William DeFries at 247 or 649W by June 1. Those interested in the production end of this project should call Mr. DeFries or the director, Miss O. K. Fries.

The first production, sponsored by the A. A. U. W., will be staged in late October or early November.

## Resume Old Rates: Appeal Decision Of License Fees

Springfield, Ill., May 26 — (AP) — Secretary of State Edward J. Barrett announced today that the sale of Illinois truck license plates will be resumed under the old fees.

The action was taken on the advice of Attorney General Ivan A. Elliott, who said Chief Justice Joseph E. Dail of Peoria had granted an order which in effect blocked the sale of plates at the new and higher rates.

The State Supreme Court last week refused to review its decision upholding validity of the 1951 boosting fees. Barrett then announced that sale of plates under the old scheduled would be stopped.

However, attorneys for truckers fighting the higher fees obtained the order from Justice Dail today holding up the sale of plates under the increased rates. The truckers have announced they will appeal the State Supreme Court's decision to the U.S. Supreme Court.

**WAVERLY LEGION, AUXILIARY TO MARK MEMORIAL DAY**

## 4 Killed, 5 Injured In Highway Accident North Of Chandlerville

An athletic coach and three youths were killed Monday afternoon in a traffic collision which occurred at the intersection of Route 78 and the Sadoria blacktop road four miles north of Chandlerville.

Three other boys were in Schmitt Memorial hospital, all seriously hurt. One is not expected to live.

A woman and her daughter involved in the wreck are in a Peoria hospital.

**The dead:**  
H. E. (Eddie) Stark, 38, athletic coach at Easton high school.  
Merle Wolters, 17, Easton student.  
Junior Bennett, 15, Easton student.  
David Heymann, 12, Peoria, Alton Military Academy.

**Injured:**  
Jerry Griffin, 16, Easton, unconscious and in deep shock. His condition is expected to be critical.  
Lloyd Ingersoll, 15, Easton, fractured jaw and leg, possible internal injuries.  
Robert See, 16, Easton, fractured leg, arm and a probable skull fracture.

Mrs. Bernard Heymann, Peoria, apparent minor injuries. Condition called good.  
Mary Elizabeth Heymann, Peoria, apparent minor injuries. Condition called good.

Richard P. Hurley, coroner of Mason county, said the accident was evidently caused when Stark failed to stop when coming off the blacktop road. His westbound Studebaker car carried five Easton students enroute to see the White Sox-Browns baseball game in St. Louis.

The Studebaker tore off the rear light of an automobile driven by Rev. Otis Modlin of Winchester and then struck the front center of a Buick car driven by Mrs. Heymann, wife of a Peoria doctor.

Two ambulances from Havana and one from Chandlerville took the injured youths to Schmitt hospital. Later Mrs. Heymann and her daughter were placed in an ambulance and taken to Peoria hospital.

Hurley said that Stark, who leaves a widow and three children, had come cross-country to the state highway. No date for the inquest has been set, but Hurley said it probably would be held late this week.

## Exchangites See Alaska Film: Mayer Names Committees

"Adventure in Alaska" was the title of a film seen by the Exchange club Monday evening at the Dunlap hotel, after committees for a June project had been appointed and Soap Box Derby advertising discussed.

Arnold Mayer, chairman of one of the club's major June activities, appointed the committees to handle concessions at the stock car races on the fairgrounds. He presented his plans for the project.

Clyde Fitch, chairman of advertising for the Soap Box Derby, made a check on the subject.

The program chairman was Gene Clark. He showed the film, obtained through the courtesy of the Gulf Refining company, which depicted the course of a hunting expedition through Alaska. Wild life, scenic places and sports of the northern land were viewed in the movie.

Gilbert Schaefer was a guest at the meeting. The board of control met after the club adjourned.

## Mary Coop Heads Officers Chosen By Junior CDA

The Junior C. D. of A. Court Our Savior, held an election of officers at a recent meeting at the K. of C. hall. Newly elected officers are Mary Coop, president; Sandra Eoff, vice president; Gladys Drake, secretary; Barbara Cosgriff, reporter.

A financial report was given by the treasurer, Mrs. Florence Henry. Mrs. Virginia Farran, junior chairman, reported the court had netted \$80 at a bake sale.

It was decided that the annual picnic will be held June 22.

A backyard party preceded the business meeting. Margaret Blesse was awarded the prize.

**PLAN FAMILY SUPPER FOR VFW, AUXILIARY**  
Eleanor Hayes and Agnes McDevitt have been named to be chairmen of a family supper to be held Thursday at 6:30 p.m. in the V.F.W. home. Laura Prickett, Auxiliary president, appointed Agnes Ingram, Pauline Robson, Rose Vanier, Alberta Seymour, Norma Jewell, Maxine Early and Eloise Jackson to assist the chairmen.

The main dish, rolls and coffee will be furnished. Each woman is asked to bring a covered dish and table service. The supper is for members of the post and Auxiliary and their families.

Members are asked to register at the V.F.W. home or call 1875Y or 643X by Wednesday if they plan to attend.
